Executive Proclamation
State of South Dakota
Office of the Governor

Whereas, Eunice Johnston was born on November 6, 1914, to Roy and Margaret Hauck Johnston at Broadland, South Dakota, one of three daughters and an honorary sister; and,

Whereas, Birthdays commemorate the first day of our lives, and we celebrate the birthdays of those we love as we recognize the joys and sorrows we have shared, the strength we have gained from the obstacles and hardships we have conquered, and the small daily pleasures life offers; and,

Whereas, Eunice married Vincent Earl Seeman on December 21, 1946, and to that union four children were born: Kandace Kay, Dennis, Nikki, and Dale who in turn blessed them with eight grandchildren and two step-grandchildren; and,

Whereas, Eunice attended Notre Dame College and Huron College, began her teaching career in the Beadle County rural schools, and retired from the Lake Preston school system after 25 years of teaching; and,

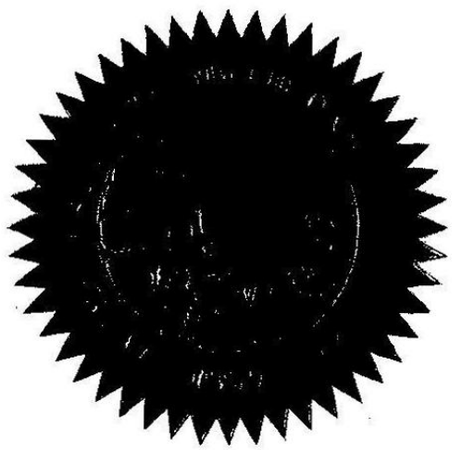
Whereas, Eunice spent much of her time teaching Sunday School, leading Bible studies, cooking, crocheting, and dancing with her wonderful dance partner, Vincent; and,

Whereas, Eunice will celebrate her 90th birthday with all the good wishes, fanfare, and celebration such a milestone warrants, as her friends and relatives gather to honor her and celebrate her life and the camaraderie of the day; and it is fitting and proper for the Governor to make note of this milestone in the life of a woman who has lived an exemplary life for all to emulate:

Now, Therefore, I, M. Michael Rounds, Governor of the state of South Dakota, do hereby proclaim November 6, 2004, as

EUNICE SEEMAN DAY

in South Dakota, and I join all her many friends and relatives in wishing Eunice a very happy birthday, good health, and great happiness.



In Witness Whereof, I have hereunto set my hand and caused to be affixed the Great Seal of the state of South Dakota, in Pierre, the Capital City, this First Day of November in the Year of Our Lord, Two Thousand and Four.

M. Michael Rounds, Governor

Attest:
